

EFPP OPEN ONLINE EVENT on the 19th of September 2025

## THE CHILD & ADOLESCENT SECTION STUDY DAY

### *THE CHALLENGE OF WORKING WITH PARENTS OF A CHILD IN PSYCHOTHERAPY*

#### Introduction

The Study Day is a half-day seminar organised by the European Federation of Psychoanalytic Psychotherapy (EFPP). Its principal aim is to promote a clinical and theoretical dialogue between the Four Psychoanalytic Sections under the Federation's umbrella: adult, child & adolescent, couple & family, and group.

This EFPP Child & Adolescent Study Day will be based on the clinical work of **VERITY EMANUEL**, child & adolescent psychoanalytic psychotherapist (ACP – UK).

The presentation of **VERITY EMANUEL** will draw on her clinical experience working with parents in the context of the public sector. It will consider the parent-child relationship as a central aspect of the work of the child psychotherapist, whether parents are physically present in the room, adjacent to the individual work with the child, or absent from the child's external life.
